G.R. Hopper has become synonymous with driving traffic to The B.O.B. – literally. I see your buses outside of our building more time than I can count on any given Friday and Saturday – dropping off people at our doorstep every time to come in and enjoy our nightclubs, Crush and Eve – always with a Hopper Pass in hand with the incentive for no cover into The B.O.B. before midnight. We can't thank you enough for providing a trusted local and convenient method of safe and sober transportation for all our guests.
